Technical Informations

Clip

Category: Upholstered Furniture

Francesco Rota, 2024

Inserted into a three-dimensional space, the Clip seating system stands out as a precisely drawn graphic line. The void here takes on an almost predominant role compared to the solid: observing the figure from different angles alters the perception of geometry itself, creating a dynamic and engaging visual experience.

Clip

A seating collection consisting of a chaise longue, armchair, and pouf, featuring an internal structural steel frame wrapped in polyurethane foam padding for optimal comfort.
