Micro Clay

Marc Krusin, 2023

Colorful and with a vaguely light-hearted air, Micro Clay fits into any internal and external environment with a pinch of irreverence. The Clay table comes in a more compact version, without compromising its understated charm and strong personality, bringing a refined and timeless elegance to any space it inhabits.

Micro Clay

Coffee table in rigid polyurethane, lacquered or covered in the "Concrete" finishes. The "Concrete" finishes are obtained by manual application. Also available hand-covered in cowhide and cuoietto in the finishes of the sample book.
